EDUCATIONAL SERVICE CENTER
of Northeast Ohio
The Bridge to Educational Excellence

The following sessions will be offered free of charge using the Zoom platform in the fall of 2020. All sessions will be one-hour in duration and offered multiple times. Please use the hyperlinks included to register. Please contact mindy.geschke@escneo.org with any questions.

eTPES LEA Set-Up for District Superintendents/Designees

This will be a refresher session for districts implementing OTES 1.0 during the 2020-2021 school year. This session will review evaluation requirements as noted in law for OTES, OPES and OSCES, provide decision making information for districts, and assist districts with LEA set-up in the eTPES portal.

Tuesday, September 1st at 11:00 a.m.
Thursday, September 3rd at 1:00 p.m.

OhioES LEA Set-Up for District Superintendents/Designees

This session will introduce superintendents/designees to the new OhioES evaluation portal for districts implementing OTES 2.0 during the 2020-2021 school year. This session will emphasize the navigation and functionality of the new OhioES portal while assisting district with LEA set-up.

Tuesday, September 1st at 1:00 p.m.
Thursday, September 3rd at 11:00 a.m.

Navigating the OhioES portal for Principals & Evaluators

This session will introduce principals and evaluators to the new OhioES evaluation portal for districts implementing OTES 2.0 during the 2020-2021 school year. This session will emphasize the navigation and functionality of the new OhioES portal while assisting building administration with building set-up.

Wednesday, September 9th at 9:00 a.m.
Wednesday, September 9th at 11:00 a.m.

Preparing for Remote OTES Observation: Evaluator Edition

This session will explore how to conduct an OTES observation of remote learning. Topics explored will include: how to balance synchronous/asynchronous teaching/learning, communication, feedback and creating an intuitive classroom environment.

Monday, September 21st at 1:00 p.m.
Thursday, September 24th at 10:00 a.m.

Preparing for a Remote OTES Observation: Teacher Edition

This session will explore how to prepare for an OTES observation of remote learning. Topics explored will include: the role of data in asynchronous online learning, best practices in monitoring/tracking evidence of communication, feedback and effective distance learning instructional practices.

Monday, September 21rd at 3:00 p.m.
Thursday, September 24th at 7:30 a.m.
