

OHIO'S MEASURES: UNDERSTANDING AND USING ACCOUNTABILITY DATA FOR IMPROVEMENT

WHAT

A series of one-day regional training sessions are being held this fall to share information about Ohio's Accountability System including local report card data, updated SAS[®] EVAAS[®] teacher value-added reports, the data behind the accountability system, and how to use the data generated from the measures for school improvement.

Dates, locations, and event sites are listed below. Sessions run from 9 a.m.–3:30 p.m. with lunch on your own.

WHO

These training sessions are intended for district and building leaders, teacher leaders, and others involved in the school/district improvement process.

LEARNING TARGETS

Participants will know how to:

- **Access** the data used in Ohio's accountability system
- **Understand** the measures used in Ohio's accountability system
- **Interpret** the various data reports
- **Analyze** the data to identify possible cause and effect
- **Use** data to create an action plan for implementation at the school or district level

TAKEAWAYS
