

OTES Now and Next

The Educational Service Center of Northeast Ohio (ESCNEO) will host an informational session to learn about the upcoming changes to OTES effective in the 2020-2021 school year.

Participants will explore how an emphasis on teacher professional growth is manifest in the revised framework.

The transition away from student growth measures and into high-quality student data will also be examined.

District administrators, principals and teachers are welcome to attend.

Professional Contact Hours: 3

Cost: Free
