

WILSON[®] Reading System

Fundations[®] K–5 Professional Learning provides a comprehensive, teacher-ready approach to implementation—building confidence, strengthening daily instruction, and sustaining literacy success across K–5.

Fundations[®] K–5 empowers educators with engaging, effective Structured Literacy Tier 1 instruction aligned with the science of reading so students thrive and districts meet their goals. Created by Wilson Language Training[®], a trusted leader with more than 40 years of experience, Fundations provides the evidence-based rigor and consistency needed for literacy success in elementary school and beyond.

Workshop Topics

- Underlying principles of Fundations
- How the Fundations daily lesson plan and activities address the five areas of reading, teach the principles of language structure, and incorporate direct, multisensory methods
- Practical guidelines for implementation
- Participants write lesson plans and practice lesson activities for a particular Fundations level

Presenter: Morgan Amend, Wilson Trainer
Contact Hours: 3.5

If you will be teaching multiple grade levels, attend the Fundations workshop for the highest grade level you will be teaching.
