

Heggerty Curriculum & Phonemic Awareness Refresher (Tier I and Tier 2 Resources)

For those who have already been through new implementation

If your district purchased the Heggerty Curriculum to support your delivery of Tier I phonological and phonemic awareness instruction in your PK-3 grade classrooms and your staff needs a refresher on how to incorporate those hand motions, keep quick pace in the lessons, or scaffold support for students. This professional learning session is designed for teachers, coaches, curriculum specialists and administrators who have adopted it and are seeking a refresher on the Heggerty Phonemic Awareness Curriculum. The session will include refreshers for implementation of the Heggerty Curriculum as well as Tier 2 instructional practices for phonemic awareness. In addition, participants will learn how to use the PAST assessment for identification and progress monitoring of phonemic awareness needs. Additional resources to support implementation and sustainability, such as walk-through documents for coaching implementation as well as assessment tools to sustain practices and monitor the progress of students will be provided.

At the end of this interactive and hands-on day of learning about phonological and phonemic awareness, participants will be able to:

- ⇒ Describe how PA instruction aligns to the Simple View of Reading.
- ⇒ Reinforcing the importance of daily intentional sequential lessons based on 8 phonemic awareness skills (Rhyming, Onset Fluency, Blending, Identifying Final or Medial Sounds, Segmenting, Adding Phonemes, Deleting Phonemes and Substituting Phonemes).
- ⇒ Review the methods and reinforcement movements that go with each lesson. Administer the PAST assessment to identify specific student phonemic awareness needs.
- ⇒ Understand how to plan and deliver targeted Tier 2 interventions in phonemic awareness based on specific student needs.

Audience: (Refresher PD) The target audience will include teachers, coaches, curriculum specialists and administrators who have adopted and are seeking a refresher on the Heggerty Phonemic Awareness Curriculum.
