This session is designed for PBIS teams who would like to enhance their SWPBIS Tier 1 program through integration of systematic culturally responsive practices. Join this session if you are a PBIS team member who would like to implement SWPBIS with a culturally responsive lens. Participants will have the opportunity to examine their practices through identity awareness exercises and the TFI Culturally Responsiveness Companion.

## Audience:

PBIS Leadership Team members in buildings that have previously received training in Tier 1
