

EARLY CHILDHOOD ITINERANT NETWORK

ABOUT US

Calling all early childhood itinerant teachers—this network is for YOU! Come connect, collaborate, and celebrate the unique work you do.

Monthly meetings held in-person at the ESCNEO or via Zoom. Bring your lunch and join us for networking and professional development.

PURPOSE AND BENEFITS

- **Community and Support:**
Provide a supportive environment for itinerant teachers, combating the feelings of isolation they may experience.
- **Professional Development:**
Offer opportunities to learn about new strategies, research, and policy updates related to special education and other specialties.
- **Resource Sharing:**
Serve as a hub for sharing practical tools, materials, and solutions to common issues faced by itinerant educators and their community partners.
- **Collaboration and Problem-Solving:**
Facilitate discussions and collaborations to address complex situations and improve service delivery across program models.
