

# ENHANCING LEADERSHIP

Is Leadership, Leadership?  
Is Leadership contextual or situational?  
Can business leaders learn from Educators?  
Can educational leaders learn from business leaders?  
Once in a leadership position, can one's leadership style change or be enhanced?

## Audience:

Present and/or future leaders (department heads, grade level chairs, potential administrators, and present administrators)

## PURPOSE:

To provide tools, training, research, networking opportunities, and opportunities to examine one's personal and professional beliefs and values. This program is designed to enhance the leadership of prospective leaders, department heads, teachers or grade level leaders, and also can provide growth experiences for present administrators. We hope to explore leadership styles of various individuals within the educational ranks as well as leaders from other walks of life. We will do a book study, which will further emerging leaders' perspectives on leadership. We hope that at the end of the sessions participants will have a greater self-perception and greater understanding of leadership.

## CORE AREAS:

- Leadership styles
- Why leadership makes a difference
- Developing and analyzing personal leadership styles
- Leadership that can encourage others
- 21st century leadership
- Innovative Strategies
