

LAKE GEAUGA WELLNESS PROFESSIONAL LEARNING COMMUNITY 2025-2026

2026 FOCUS

The core pillars of well-being;
practical strategies and evidence-
based practices.

Engaging certified and classified
staff in wellness initiatives.

The 8 strengths that build
resilience and mental fitness.

Audience

Innovation happens when multiple perspectives
and experiences are applied to a given situation.

This PLC offers a multi-disciplinary opportunity
to problem-solve with building administrators,
counselors, SEL coordinators, prevention
specialists, and community and family
engagement professionals from Lake, Geauga
and Eastern Cuyahoga school districts.

The purpose of Lake-Geauga PLC is to
provide an interactive and collaborative
environment where members share
proven strategies and develop new
approaches that build resilience,
promote wellness, and create
schoolwide connections for grades K-12.
