Low Incidence Network Meetings

This Network is for anyone who is involved with the instruction of students with significant cognitive disabilities/low incidence (SCD/LI) disabilities. The network meets quarterly to collaborate on best practices for the instruction of students with SCD/LI and supports for teachers and administrators. Each meeting will address a specific topic that is timely and relevant to the group. We will collaborate on ideas and supports and often create and review documents and provide feedback thought the process.

Our topics for 2015-16 are:

September 2: SST **SLO work session** (LI specific) - bring your SLOs for feedback. This is a work session, not a training in SLOs.

October 2: Update on the new Comprehensive Monitoring Resources

December 10: SST-3 Early literacy and Post-Secondary Transition (morning will focus on Early Literacy and afternoon will focus on Transition but we will make connection between both topics for both sessions)

February 25: High and Low Tech Options for Writing and Reading for Students with LI Disabilities

May 19: Panel discussion/presentation (TBD)

Registration for SST-3 events must be done through the Ohio Department of Education's registrations system, STARS.

To register on STARS for this event go to:
https://safe.ode.state.oh.us/portal/
A "SAFE Account" must be set up first in order to register.

Updates, changes and cancellations are sent out through email.

Please make sure your email address is correct in STARS.
