March 10, 2017

Bring your brown bag lunch and join us for a series of FOUR FRIDAY afternoon workshops scheduled throughout the 2016-2017 school year.

Building leaders will join together to discuss how to start a movement within their schools by building a school culture from the inside out and bringing a shared vision to life.

For principals to truly thrive in the role of instructional leaders, they have to free themselves from being stuck in the bureaucratic (technical) aspects of leadership.

Facilitated by:

Kelly Stukus, ESC Curriculum Consultant

Lynn Hruschak, ESC, SST3 Curriculum Coordinator

This series will focus on how the principal can support the improvement of learning and teaching methods schoolwide.
