

MATH CONTENT SKILLS AND PERFORMANCE ASSESSMENTS WORKSHOP

FOR GRADES 6, 7, 8, AND PRE-ALGEBRA TEACHERS

December 3, 2025

8:30 a.m. – 3:00 p.m.

**ESC of Northeast Ohio
6393 Oak Tree Blvd.
Independence, OH 44131**

Performance assessments are terrific tools to gather evidence of students' ability to use math practices and to apply math in real works contexts. In this workshop, learn about short constructed responses that may take one class period as well as on-demand performance assessments that can be used as formative or summative assessments, for homework, group work, quizzes, or as part of a unit test.

In this workshop, educators will explore:

- Purpose and Use of Performance Assessments
- Standards for Mathematical Practice
- Understand Depth of Knowledge
- Performance Assessments to Support Applications of Skills
- Assessment Scoring
