The ESC of Northeast Ohio Math Intervention Recommendation Series

-Cohort 2: Fall 2025-

Join us in a focused, collaborative series on K-6 Math Interventions, guided by the IES Practice Guide: "Assisting Students Struggling with Mathematics: Intervention in the Elementary Grades". Each session will spotlight a key evidence-based recommendation to strengthen math instruction. Although centered on K-6, the strategies are practical and adaptable across grade levels.

Participant Expectations:

- **Pre-Session Work:**
 - Please review the recommendation and/or watch a short video before the session to prepare for the discussion. Details will be provided in an email prior to each session.
- **Attendance:**
 - Commit to at least 5 out of 6 sessions.
- **Participation:**
 - Be ready to share insights and collaborate with other participants and your district colleagues.

Make the Most of the Series:

- By participating, you'll not only gain insights from the IES Practice Guide, but also work closely with peers, discovering practical applications tailored for your district's needs.
