

Resident Educator Mentor Academy Trainings 2019

The Ohio Resident Educator Program provides new teachers with opportunities to reflect on how their instruction and assessment practices impact student learning. This system of support includes working with a state-certified mentor. The ESC of Northeast Ohio is pleased to offer Resident Educator Mentor Academy Trainings in support of Resident Educators and their mentors.

Resident Educator Mentor Academy Day 1

New mentors to the Resident Educator Program are required to successfully complete the two-day Mentor Academy Training to receive mentor certification. Day 1 focuses on the role of the mentor and the critical components of mentoring. Mentors are introduced to the essential content of mentoring to prepare them in supporting the instructional growth and development of Resident Educators.

Resident Educator Mentor Academy Day 2

New mentors to the Resident Educator Program are required to successfully complete the two-day Mentor Academy Training to receive mentor certification. Day 2 focuses on formative/summative assessment, providing feedback and observations for learning. Mentors apply knowledge and skills learned on Day 1 to design, practice and implement differentiated mentoring to support and accelerate the instructional growth and development of the Resident Educator.
