

NORTHEAST OHIO REGIONAL LEARNING COLLABORATIVE

Friday, May 10, 2024 | 11am-1pm

OUR PURPOSE

The 2024 focus of the Northeast Ohio Regional Learning Collaborative (RLC) is on highlighting the value and impact of genuine youth voice, the necessity of inclusion and equity in youth leadership, and the lasting impact a Youth Led Program can have on a school or community.

OUR APPROACH

The Northeast Ohio RLC meetings feature interactive activities that Adult Allies can use with Youth Led Groups, opportunities to share YLP experiences, brainstorming program ideas and learning to utilize planning tools and data sources that will empower youth. Technical assistance and training in Youth Led Prevention is also available.
