

# Northeast Ohio School Psychologist Network

This network provides school psychologists the opportunity to reflect and collaborate on how to best support the student, family and staff needs within the communities they serve. The first meeting for this group will include discussion and planning of future topics, format and dates to support your professional learning needs for the 2019-2020 school year.

School psychologists work in a range of educational settings and roles; all are welcome to attend.

*Facilitator: Christy Roshong, ESCNEO Educator Quality Consultant and School Psychologist*
