Ohio ILN (Innovation Lab Network) State Convening September 21, 2018

Ohio ILN invites district leads to a FREE one-day collaborative to:

Streamline district innovation with clear understanding of Ohio's Strategic Plan for Education - Each Child, One Future

Position your district for Student Equity - Personalized Learning - and Performance-based Assessment (Keynote: Justin Wells, [Envision Learning Partners](#))

Join an [Ohio ILN PLC](#) most aligned to your district work to scale your local outcomes to higher levels and efficiently use regional resources.

Quest Conference Center
8405 Pulsar Place
Columbus, OH 43240

9:00 a.m.—3:00 p.m.

Justin Wells is Executive Director of Envision Learning Partners. He works with states that are transforming education through personalized learning through development of alternate assessments, graduate profiles, and graduation portfolio and defense systems. Previously, he served as associate research director for performance assessment at the Stanford Center for Assessment, Learning, and Equity (SCALE), where he designed prototype performance tasks for the Smarter Balanced Assessment Consortium. He is co-author of *Transforming Schools Using Project-Based Learning, Performance Assessment, and Common Core Standards* (Wiley, January 2015).
