

OLi4 Cohort 12

Informational Session

2025 - 2027

Ohio Leadership for Inclusion, Implementation, and Instructional Improvement

OLi4 (Ohio Leadership for Inclusion, Implementation, and Instructional Improvement) is an initiative launched in 2014 by an Ohio university in collaboration with the Ohio Department of Education. It provides professional development for district leadership and personalized coaching for principals, assistant principals, and other educational leaders. Participants join a leadership cohort, fostering collaboration and networking with administrators statewide.

Date: March 3, 2024

Time: 9:00 - 10:00 am

Location: Virtual - Zoom

Intended Audience:

Superintendents, Principals and District Administrators interested in learning more about OLi4

A new OLi4 cohort for the 2025-26 school year will be offered. Each cohort lasts for two years. Mr. Rodney Harrelson, Regional OLi4 Facilitator, will give a brief presentation about the program and answer any questions you may have. Additionally, participants who participate in the cohort can earn credit and/or contact hours toward license renewal.
