

This professional learning community is intended to assist with the implementation of OPES 2.0. In addition, it will also serve as an opportunity for evaluators to develop best practices for evaluations and network with colleagues on common themes, resources, and needs for the implementation of OPES 2.0. Participants can join every session or only those that meet their learning/scheduling needs.

Format

All sessions will be offered via Zoom. The first 15 minutes will cover a trending topic, update, or timely need related to OPES 2.0. After that, the session is open to participants to network, ask questions, seek advice, share ideas, and learn from each other. All sessions, except for the August Kick-Off, will be scheduled from 9:30 – 10:30 to allow for time to support rich conversations and dialogue.

Registration

These sessions are free of charge. Registration is required prior to each session in order to receive access to the Zoom link.
