The Educational Service Center (ESC) of Northeast Ohio, in collaboration with the Ohio School Boards Association (OSBA), is pleased to announce a four-part leadership training opportunity for school board members and central office administrators. Board members are encouraged to attend the Leadership Academy as a team, or with as many members possible. The sessions in this year's academy will focus on the following:

Authority for reimbursement: RC Section 3315.15 authorizes the establishment of a service fund for board members. The fund can be used for expenses incurred at a meeting such as this.

Award of Achievement/LPDC: Most workshops entitle members to Award of Achievement credits. Local Professional Development Committee certificates of attendance will be issued to all workshop attendees.
