

## OTES 2.0 Supports

### Resources for District PD Planners

This 1-hour Zoom session is for district and building leaders charged with preparing and delivering professional learning to prepare teachers for OTES 2.0. Please attend this session to receive resources and materials to customize your roll-out plan for teachers, topics listed below. Please register at [www.escneo.org](http://www.escneo.org).

Tuesday, June 22 1:00 p.m.

Thursday, August 5<sup>th</sup> 9:00 a.m.

Thursday, June 24 11:00 a.m.

Thursday, August 5<sup>th</sup> 1:00 p.m.

#### Overview of OTES 2.0

This resource provides a general overview of the three key shifts in moving from OTES 1.0 into OTES 2.0: Professional Growth Plans, the new Performance Evaluation Rubric, and High Quality Student Data (HQSD).

#### Exploring the Performance Evaluation Rubric

Resources include an overview of the differences between the 1.0 and 2.0 rubric and various active learning explorations created to guide teachers in familiarizing themselves with the OTES 2.0 rubric components and performance levels.

#### Creating Professional Growth Plans

This resource includes professional development and coaching related materials including using self-assessment and the creation, support, and monitoring of the professional growth plan.

#### Calibrating Ratings Activities

This video-based calibration protocol & video clips can be used by teachers and/or administrators to link teacher practice to specific performance levels in the OTES 2.0 rubric.

#### Preparing for HQSD

This resource includes an introduction to HQSD, assessment inventories to audit instruments already in place, protocols to ensure classroom assessments meet the criteria for HQSD, and conversation protocols emphasizing the USE of data rather than the score.

### Facilitation Options

ESC Educator Quality consultants can customize professional learning for your teachers. Please contact [mindy.geschke@escneo.org](mailto:mindy.geschke@escneo.org) to schedule and/or discuss options.

- Any one of the above sessions can be facilitated by ESC Consultant Mindy Geschke free of charge via Zoom in approximately 45-minute sessions.
- Customized professional learning experiences are available for standard consulting fees.
