

This professional learning series is designed for administrators evaluating teachers in the OTES 2.0 model. It is intended as an implementation support structure and opportunity for evaluators to both learn best practices as well as network with colleagues to share and learn from each other. The below schedule serves as a preliminary itinerary; the schedule may be altered based upon participant feedback/interest/need.

Schedule

These sessions will be offered via Zoom once a month. These sessions are free of charge; registration is required to receive access to the Zoom session. All sessions run from 9:30 a.m. – 10:00 a.m.

Implementation Support for OTES

Effective evaluators understand all aspects of OTES 2.0 and how to use the evaluation framework as a coaching model to continually assist teachers in enhancing their performance to impact student learning. We are available to support you and/or your instructional team through this process. Please contact us to discuss fully customizable training opportunities that meet the needs of your district and/or evaluators.

Possible Implementation/Support Topics

- **Calibration and Alignment**
Team calibration activities ensure all evaluators district-wide are aligned in their understanding of the rubric, potential evidence, and rating level definitions.
- **HQSD in Evaluations**
Consultants work with districts to identify needs and provide training in all areas of HQSD support (i.e. selecting assessments, analyzing reports, item analysis, critical conversations, making instructional decisions based on HQSD, etc.)
- **Authentic and Effective Coaching Conversations**
Protocols to assist with a wide range of coaching scenarios are developed collaboratively with evaluators to support districts' unique staffing needs.
- **Individual support to evaluators**
ESC consultants can work individually with evaluators to support the evaluation process with a focus on coaching for growth.

Customizable Training

ESC Educator Quality consultants can customize professional learning for your teachers. Please contact Kelly.stukus@escneo.org to schedule and/or discuss options. Standard consulting fees apply.
