

One Needs Assessment

The One Needs Assessment is a comprehensive tool that provides the opportunity for districts and schools to focus on a few items of high impact for continuous improvement. The One Needs Assessment directs districts and schools towards creating a “focused plan” One Plan. All districts and schools that receive federal funding are required to use this planning tool to develop/revise their One Plan for FY23.

We will be offering two technical assistance and professional learning sessions.

****NOTE: THE DATE(S) FOR THE OVERVIEW HAVE BEEN POSTPONED.

*The **One Needs Assessment Planning/Work Sessions** will provide the opportunity for coaching and technical assistance on four topics: timeline, data, team membership planning, and root cause analysis. These sessions are an opportunity to dig deeper into a particular area for planning for success with the use of the One Needs Assessment and One Plan development.

In the One Needs Assessment Planning/Work Sessions, participants will:

- Develop a timeline for district and school completion of the One Needs Assessment and One Plan.
- Select data sources matched to the One Needs Assessment and determine data format.
- Create a team for completion of the One Needs Assessment and One Plan based on team members' expertise and roles.
- Develop a root cause protocol that will be used by the team as they use the One Needs Assessment.

Dates for Planning / Work Sessions:

Friday, February 18, 2022 9:00 a.m. - 10:00 a.m. <https://tinyurl.com/OneNeedsAssessment218227>
