

Oral Language & Listening Comprehension

January 19, 2018

Oral language is the foundation of comprehension. In the early grades, comprehension is best developed through listening. Language & Listening Comprehension, participants learn 1) the importance of oral language and listening comprehension to skilled reading comprehension, 2) activities that develop oral language and comprehension, 3) assessment of students' oral language through naming and story retelling, and 4) the elements of narrative and expository text that support comprehension.
