

PBIS

Classroom Management

This PD is a prerequisite for Tier II participation.

This three-day series will help attendees increase instructional time and establish effective classroom learning environments as they learn to align their classroom procedures to their school-wide expectations. Participants will learn eight effective classroom practices:

Dates:
November 9, 2020
January 28, 2021
February 24, 2021

Time: 9:00 am - 4:00 pm
(registration at 8:30 am)

Participants MUST attend all sessions

Location: This is a VIRTUAL professional development series.

PD Contact Hours: 16.5

For questions contact:

Yvonne Daycak
yvonne.daycak@escneo.org
216-446-3803

- Classroom expectations
- Classroom procedures and routines
- Encouraging expected behavior
- Discouraging inappropriate behavior
- Active supervision
- Opportunities to respond
- Activity sequencing and choice
- Task difficulty

In addition to the above modules, attendees will discuss improving relationships and culture with their students, build an awareness of Trauma-informed Instruction strategies, as well as gain a basic understanding of functional behavior assessments and behavior intervention plans.

Audience: PBIS team member(s), Directors and Principals

Registration: This professional development series requires a TEAM registration. Please complete the registration form and send to:
