**State Support  
Team**

Ohio's Positive Behavioral Interventions and Supports (PBIS) Recognition System provides an opportunity for schools and districts to be recognized for creating school environments that are positive, predictable, safe and equitable. Each year, the Ohio Department of Education and the [PBIS Network](#) recognize schools and districts for their quality and fidelity of PBIS implementation. Schools are eligible to receive awards at the bronze, silver or gold levels of distinction.

These sessions are meant to be drop-in office hours for buildings interested in applying for recognition. Join us online, or stop into the office during these set times for guidance from consultants on the application process. Staff will be available to answer questions, provide technical assistance, and guide buildings through the application process.

**Audience:** A representative from schools interested in applying for PBIS recognition.
