

ESC of Northeast Ohio

Paraprofessional Network

9:00 AM - 11:00 AM

**November 15, 2023
January 17, 2024
March 13, 2024**

The goal of this network is to provide support and strategies for paraprofessionals to better assist students and teachers. Paraprofessionals serve an essential role in student learning and instruction. Networking provides the opportunity to share information, discuss school challenges, receive feedback, and provide emotional backing for one another.
