

Play-Based Assessment

Presenters: SST 3 Consultants

Description:

Collaboration and authentic assessment practices should be an integral component of any play-based assessment during the evaluation process.

In these sessions, participants will be introduced to the key components of play-based assessment and strategies to support collaborative assessment activities. Teams will have an opportunity to reflect on current evaluation practices and develop a plan to implement or enhance their play-based assessment process in their programs. There are practice requirements between sessions that will assist teams in their planning process.

Audience:

Early Childhood Special Education Directors and Administrators, Preschool Special Education Assessment Team members including teachers, school psychologists and other related services providers.

OA Contact Hrs.: 10.0

Participants MUST attend all three sessions.

All sessions are being held virtually via Zoom with the optional in-person team participation as conditions permit.

Registration:

To register for this event, complete the team registration form on page two of this flyer and send to
