

Principal Standards Deep Dive

Implementation of OPES 2.0 will be required of all Ohio school districts for the 2022-2023 school year. One of the major shifts revolves around the Principal Standards that were released by ODE in 2018. These standards are the basis of the OPES 2.0 rubric.

To help prepare you for this shift, we are offering a variety of sessions to meet your needs when it comes to digging deeper into those standards.

Who should attend this training?

- Educators who will evaluate a Principal or Assistant Principal using the OPES 2.0 framework
- Principals or Assistant Principals who will be evaluated using OPES 2.0

What topics will be covered?

- OPES 1.0 to OPES 2.0 Rubric Crosswalk
- 2018 Principal Standards Deep Dive
- OPES 2.0 Rubric Investigation

Half-Day Virtual Training (via Zoom)

- 3 date options ([9/21](#), [10/20](#), [11/4](#)) – click on a date to register for that session
- Each session is 4 hours; 8:00 – 12:00
- Participants select one session to attend

Monday Mini Sessions (via Zoom)

- Every Monday in October ([10/4](#), 10/11, 10/18, 10/25) – click on 10/4 to register for the series
- Each session is 1 hour; 9:00 – 10:00
- Participants attend all 4 sessions

Registration and Payment Information

- \$25 registration for individuals; \$150 for an entire district team
- Please register using the links above or by using the Professional Development Calendar of Events at www.escneo.org
- Checks or Purchase Orders can be sent to: Treasurer's Office, ESC of Northeast Ohio, 6393 Oak Tree Blvd South, Independence, Ohio 44131

Contact Gretchen Lawn at Gretchen.lawn@escneo.org with questions. Participants will receive a welcome email containing the Zoom link at least 24 hours prior to training. The ESC of Northeast Ohio may cancel sessions due to low enrollment.

Facilitation Options

ESC Educator Quality consultants can customize professional learning for your needs. Please contact gretchen.lawn@escneo.org to schedule and/or discuss options. Customized professional learning experiences are available for standard consulting fees.
