

The Ohio Middle Level Association, in partnership with,
The Educational Service Center (ESC) of Northeast Ohio
Present the

2nd Annual Principals Institute

THE PRINCIPAL AS AN INNOVATIVE LEADER

OCTOBER 29, 2018

***FEATURED KEYNOTE: WHAT IF?
PAUL PENDLETON, EDUCATIONAL CONSULTANT
AND INNOVATIVE THOUGHT LEADER***

Please consider joining other principals, assistant principals, teacher leaders and other interested educators as we learn from local experts, spend time sharing and networking with one another, and gain valuable knowledge about leadership, learning, culture and management.

The keynote presentation will focus on the future of teaching and learning and the principal's role and responsibilities. In addition, featured break-out sessions will provide participants with several opportunities to learn more about what innovative leaders do to create the conditions for an environment of well-being and academic success.

Join us for this one day conference that combines the best part of a conference – the space between the scheduled sessions – and makes this a truly unique learning and networking experience.

Featured Breakout Topics will address:

- ♦ Innovation
- ♦ Leadership
- ♦ School Culture
- ♦ Career Transitions
- ♦ Crisis Management
- ♦ Creating Your Winning Team
- ♦ Preparing Students for Success

- ♦ The Future of Teaching and Learning
- ♦ Culturally Responsive Teaching and Learning
- ♦ Positive Behavior Intervention Support (PBIS)
