Team**

Ohio School Districts and Community Schools are required to meet certain criteria on their report cards regarding the K-3 Literacy Improvement Measure.

When districts do not meet this criteria for two consecutive years, they are required to engage in creating a Reading Achievement Plan for the district or community school.

During this professional development session, participants will:

- ◆ Explore and understand the 5 big concepts of literacy.
- ◆ Use the 5 big concepts of literacy to begin to develop reading support for students by scaffolding supports for readers who are struggling
- ◆ Learn the basic components of the Reading Achievement Plan.
- ◆ Understand how the Reading Achievement Plan ties to other plans and structures already in place within the district (such as OIP, CCIP, etc.).
- ◆ With support, create a Reading Achievement Plan.
