

THE ROAD TO READING ACHIEVEMENT PLANS (RAP)

In these sessions, your team will gain invaluable insights into creating or updating your Reading Achievement Plan.

Sessions will be split between dedicated support in the development of a new Reading Achievement Plan and updating and submitting progress reports for current Reading Achievement Plans. Office hour support will be provided for additional assistance.

In the new RAP sessions, step-by-step guidance will be provided for developing a comprehensive Reading Achievement Plan that is tailored to your specific needs and goals.

In the progress report sessions, we will walk you through the steps necessary to submitting your progress towards the goals outlined in your current RAP as well as offer guidance on any adjustments you may want to make.
