Professional Development / Calendar of Events

This network is for technology, curriculum and instruction directors, instructional technology coaches, teachers, and other interested educators who would like to discuss current topics and share resources as they relate to educational uses and applications for instructional technology. The primary focus of the network will emphasize the integration of technology into the curriculum.

Audience: Administrators, Technology Directors, Coordinators, Instructional Technology Coaches, Teachers, and other interested educators.

Facilitated by:

Dave Miller, NORT²H

Michael Triska NORT²H
