

2025-2026 SOCIAL EMOTIONAL LEARNING (SEL) NETWORK

This network is for leaders of systematic social emotional learning and/or student wellness. This network will provide a space for those tasked with the implementation of social emotional learning within their districts.

The goals of the network are to:

- Provide support & collaboration
- Build a network for regional practitioners
- Exchange approaches on evidence-based practices
- Hear voices from the field
- Share learning opportunities
- Identify shared supports and resources
