There are 2 Sessions to each Level 2 and 3 ELDS Domain Training. Session 1 and 2 of a given Domain Level are set up as a series as there is homework/practice that needs to take place after Session 1. Also note that on each day one Domain Session is presented in the morning and a different Domain Session in the afternoon. Register for each Domain series separately. Either Level 2 or 3 sessions may be taken after the Level 1 Overview.

Note: Level 2 trainings are designed to provide training to direct service providers who will be planning and implementing the ELDS. Level 3 trainings are designed to provide support to those in a leadership role who will be providing guidance and support to those direct service providers planning and implementing the ELDS. All parties can choose to attend Level 2 or Level 3 offerings which provides additional flexibility in scheduling and an opportunity for collaboration with teams.
