Step Up to Quality (SUTQ) Workgroup

March 20 & April 22, 2014

We have convened a workgroup for Early Childhood Supervisors or leadership team members who will be responsible for entering the district programs into the SUTQ system. We will share information / forms and resources as we work toward understanding the requirements of the system. This is a collaborative work session. We intend for this format to be repeated in the future as needed.
