

School Improvement Network:

Leading Change at the District Level

**State Support
Team**

Dates:

October 29, 2021,

February 4, 2022 and May 6, 2022

This leadership network will provide professional development, networking, collaboration, and conversation with a focus on the role of district leaders in successfully planning and implementing the district's One Plan through the use of collaborative team structures. Drivers for systems change will provide the foundation of our learning in this network.

Each session will include the following:

- Leadership Lessons
- Voices from the Field
- Networking
- Hot Topics (ODE Updates)

Audience: District Leaders

Registration:

Click on link next to date to register in Zoom

Must register for each day separately.
