

*“Leadership is second only to teaching among school-related influences on student success. Its impact is greatest in schools with the greatest needs.”*

- The Wallace Foundation, 2015.

## Overview

This professional learning series is designed for superintendents and central office administration. The sessions will be structured to allow for both content delivery and peer discussion. The below schedule outlines the upcoming itinerary; please share with relevant administrators who may benefit from the series. These sessions will be offered via Zoom. These sessions are free of charge; registration is required to receive access to the Zoom session. All sessions run from 12:00 p.m. – 1:00 p.m.
