

We are excited to have Melissa Hennon and LM Clinton Presenting TGRG / K-3 Literacy

The presentation will benefit staff who deal with instructing teachers adhering to the related law, staff who gather the data to give to staff to code it so it's reported in EMIS correctly, district EMIS coordinators and district leadership who look at the related data points for accountability and the At-Risk data measure related data prior to it being published.

Third Grade Reading Guarantee & Improving At-Risk K-3 Readers

- TGRG requirements and reporting (Diagnostics, Reading Improvement and Monitoring Plans, and Retention)
- Any recent or upcoming changes
- Understanding TGRG data displayed on Report Card Measures
 - At-Risk K-3 Readers
 - TGRG Promotion Rate
- Q & A (hopefully the starting with questions they submit in advance of the session, but then will also entertain any other questions throughout presentation)
- Questions in advance can be submitted to Melissa at Melissa.hennon@education.ohio.gov

Presenters:

Melissa Hennon – EMIS Data Administration Manager, Data Quality and Governance
