

TL;DR Online Learning

TL;DR is a common internet acronym which translates as: "Too Long; Didn't Read" It identifies a common problem in education: we just don't have the time. So, if you don't have the time to read a book but still want to benefit from its wisdom nuggets, this just might be the course for you.

1. You don't have to read or even order a book! We'll handle that part.
2. Check your inbox on a weekly basis. We'll release abridge lesson ideas and strategies that you can immediately apply to your teaching.
