

Explicit Writing Strategies

LUNCH AND LEARN

About the Series

Join Jamie Smith and Alexis Volk in exploring **The Writing Revolution 2.0** — a proven method for strengthening student writing across all grade levels and content areas. Also known as The Hochman Method, this is not a separate curriculum but rather an approach designed to be adapted to and embedded in the content being taught in across subjects and grades. All teachers are welcome, no matter what you teach or how comfortable you are with The Writing Revolution. Participants can expect to **walk away with strategies that can be implemented right away**. We invite you to join for the whole series regardless of your experience level.
