

Back by Popular Demand – Fall 2025!

Mastering the Centralized Reporting System (CRS) for Teachers –

About the Series

Join Mindy Geschke & Alexis Volk for this engaging zoom series! This series is designed to demystify the Centralized Reporting System (CRS) and equip teachers with practical skills to navigate data, administer assessments, and gain instructional insights. Whether you're joining for the first time or returning for a refresher, this series is tailored for teachers—though building and district coaches or leaders are welcome to join, too!

Time: 11:30 – 12:30

Location: Zoom

Don't miss this opportunity to enhance your CRS expertise and make data-driven decisions with confidence!

September 24 – Basic Navigation & Rostering

Discover the fundamentals of the CRS, including navigation essentials, adjusting reporting time periods, and creating rosters with ease

October 1 – Readiness Assessments

Gain insights into various assessment types, learn how to preview them effectively, and streamline testing logistics

October 8 – Assessment Authoring

Dive into creating and previewing custom assessments tailored to your classroom needs. To maximize the benefits of this session, prior familiarity with prebuilt Readiness Assessments is recommended

October 22 – Review Data

Analyze data with sorting techniques, protocols, and strategies to make informed instructional decisions.
