

Teaching with Intention in Early Childhood (PreK - K)

Presenters: SST 3 Consultants

**State Support
Team**

Description:

Teaching with Intention in Early Childhood is a 3-day series of research-based instructional practices for ‘intentionally’ creating and developing your teaching practices to optimize the learning and development of the whole child. This series will also incorporate research-based strategies to intentionally facilitate literacy practices and interventions for all students.

The topics include:

February - Oral Language, ST10082594

March - Early Reading, ST10082596

April - Early Writing, ST10082599

Audience:

Early Childhood and Kindergarten educators, intervention specialists, administrators, and other related service providers.

Registration:

To register go to <https://www.occrra.org/>, click on Search for Trainings, then enter the corresponding ST number listed above.
