

# UNPACKING CCWMR DATA TO ENHANCE PATHWAYS

*The ESC has expanded support services for Career Readiness. These services include design, state compliance navigation, understanding funding, connecting with a CTPD, teacher licensure, curriculum support, and all other elements related to building a high quality college, career, and military readiness. Please join us for this 2-Part Series!*

**1:00 PM – 3:00 PM**

ESC of Northeast Ohio  
6393 Oak Tree Blvd.  
Independence, OH 44131

**December 9, 2025 – Session 1:** Aligning CCWMR metrics to program offerings in your school. This session will take indicators in the CCWMR metric and discuss how these options can be incorporated into already existing pathways in your building.

**January 29, 2026 – Session 2:** Using the information in the CCWMR metric during the scheduling process to inform master scheduling. This workshop will focus both on the metrics themselves and leading indicators from similar datasets to inform the scheduling process.

**Cost: \$50.00 for both sessions. Registration is required.**

Contact Hours: 2.0 per session
