

Building a Strong Resume & Successful Interviewing Strategies

Future Educational Leaders

Overview

Are you thinking about moving into a leadership role? Are you ready to start applying but aren't sure where to start? Are you wondering if you are ready to make the jump or hoping to discover what school districts are looking for in their leadership candidates? If so, these training sessions are for you!

Building a Strong Resume - April 17, 2023 OR May 24, 2023 (3:30 - 5:30PM)

Join us as we focus on drafting a resume for a leadership position, the application process for leaders, and recommendations from the field.

Additional 1:1 resume feedback and support is provided free of charge with participation in the Building a Strong Resume session.

Successful Interviewing Strategies - May 3, 2023 OR June 5, 2023 (3:30 - 5:30PM)

This session will focus on interviewing best practices for leadership positions, how to align current experiences to leadership roles, and best questions from the field.

A 1:1 mock Interview with immediate personalized feedback is provided free of charge with participation in the Successful Interviewing Strategies session.

Format

All sessions are virtual to allow for anonymity. Cameras may remain off and names may be fictional. You must register for sessions in advance in order to obtain the Zoom link.
