

WHOLE CHILD PROFESSIONAL LEARNING INSTITUTE - HYBRID

2022-2023

ABOUT THE SERIES:

The ESC of Northeast Ohio, in partnership with the State Support Team Region—3 is offering a unique professional learning opportunity for the 2022-23 academic year, *The Whole Child Professional Learning Institute*.

AUDIENCE:

Central Office Administrators, Principals, Assistant Principals, School Counselors, Social Workers, School Psychologists, Intervention Specialists, and K-12 Educators

**SESSIONS BEGIN
DECEMBER 6, 2022**

PARTICIPANTS WILL:

- Learn from national, state, and local experts
- Develop a deeper understanding of the Whole Child Framework and its five tenets--healthy, safe, supported, challenged, and engaged
- Identify, assess, and connect existing knowledge, programs, practices, and other school-based frameworks (PBIS, MTSS, etc.) that can support the essential components of Ohio's Whole Child Framework
- Understand how children's development and learning are shaped by interactions among the environmental factors, relationships, and learning opportunities they experience
- Deepen understanding of how children learn, the types of learning environments, and how to design learning environments to support the whole child
- Collaborate, network, examine, and share knowledge and resources that support the whole child and provide opportunities for action

Whole Child Institute Sessions

December 6, 2022 (Face-to-Face) 9:30-11:00 AM

Educating the Whole Child: Improving School Climate to Support Student Success

Jennifer DePaoli, Senior Researcher, from Learning Policy Institute will share how schools can use effective, research-based practices to create settings in which students' healthy growth and development are central to the design of classrooms and the school as a whole.

Location: ESC of Northeast Ohio

Cost: Free!

January 12, 2023 (Virtual) 9:30 - 11:00 AM

Ohio's Whole Child Framework

Brittany Miracle, Assistant Director, Office of Integrated Supports, Ohio Department of Education, will provide attendees with an overview of Ohio's Whole Child Framework and its five-tenets--healthy, safe, supported, challenged, and engaged.

Cost: Free!

Whole Child Institute: Learning within the 5 Tenets

February 8, 2023 - (Virtual) 12:30 - 3:30 PM

Brain-Based Learning: Classroom Strategies for Success

Lea Travis, Consultant, ESC of Northeast Ohio, will share the latest research about what we know about the brain and learning. Participants will also learn key techniques and strategies for developing students' thinking and problem solving skills.

Cost: \$25.00 per person

March 2, 2023 - (Virtual) 12:30 - 3:30 PM

Strategies for Creating a Trauma-Sensitive Classroom

Pete Hall, Author, National Speaker, and founder of Education Hall, will share research, and how to cultivate a trauma-sensitive learning environment for students across all content areas, grade levels, and educational settings. Participants will understand what trauma is and how it hinders the learning motivation and success of all students in the classroom, as well as how to build relationship and create a safe space to enable students to learn at high levels.

Cost: \$25.00 per person

May 2, 2023 - (Face-to-Face) 9:00 - 3:30 PM

Putting it All Together: Positive Behavior Intervention Supports (PBIS) and Multi-Tiered System of Support (MTSS) - 9:00 AM - Noon

Kelly Perales, Co-Director, Midwest PBIS Network, will share her expertise on Positive Behavior Interventions and Support as well as how schools can continually improve upon their climate, culture, and supports to be effective learning environments for all youth and staff.

Putting it All Together: Authentic Family and Community Engagement - 12:30 - 3:30 PM

Dr. Tammy Campbell, National Speaker for Education Hall, and Retired Superintendent, will share her expertise on creating and nurturing authentic family and community engagement.

Cost: \$50.00 per person, includes lunch

Location: ESC of Northeast Ohio
