## CELEBRATING FRIENDSHIP...GOOD FOR YOUR HEALTH...GOOD FOR YOUR SOUL

**January 25, 2022 - Virtual**  
**9:00 - 10:00 AM**

### Dr. Sandra Turner

Dr. Sandra Turner is highly regarded as an experienced coach and consultant. She engages at all levels of organizational systems to facilitate resilience, high performance teaming and effective communications. In the community, Sandra serves as Council President Pro Tem in Gates Mills, and Chairs the Visiting Committee at the Mandel School at CWRU.

This salon creates a forum to talk about friendship in the midst of COVID. What has been the impact? How has it changed the nature of your friendships? Have relationships shifted? What have you learned about yourself? Is there anything you would like to change? Come and explore your own 'friendship map' and hear from others.

**What Others Have to Say:** "Your Salon was a triumph! Your prompts, both before and during the Salon, helped us to consider clearly the complicated subject of friendship, and your supportive management of everyone's comments made this a great success. I think everyone felt that our lives had been clarified by the time we finished. Addressing the emotional and social costs of the pandemic was very helpful." Participant at the Oct. 27, 2021 Friendship Salon at the Intown Club of the Union Club.
