

AIR[®]-aligned Practice

with **edcite**

Tuesday, June 6

ESC of Cuyahoga County

6393 Oak Tree Blvd.
Independence, OH 44131

Register online at esc-cc.org

(Half or full day registration available)

up to 6.5 PD Contact Hours

The Edcite Team will be hosting a day of workshops in Cuyahoga County.

Edcite empowers teachers to build and align summative and formative assessments to Ohio expectations.

Edcite Schools builds on that power by providing the common assessment and collaboration tools needed for school and district-wide implementation.

AM SESSION: 8:30 AM – 11:15 AM

Finding and Customizing on Edcite:

Get started with a beginner's workshop on using Edcite to drive student learning. In this session we will learn how to create classes, find and build AIR-aligned content, and respond to real-time data and results.

Edcite Schools Introduction:

Learn about Edcite Schools and how departments, schools, and districts across the state of Ohio are leveraging it to drive student growth. This session will be done twice at the displayed times.

PM SESSION: 11:45 AM – 3:30 PM

Edcite Schools Introduction:

Learn about Edcite Schools and how departments, schools, and districts across the state of Ohio are leveraging it to drive student growth. This session will be done twice at the displayed times.

Advanced Content Creation on Edcite

Dive deeper into content creation by leveraging question types and student tools. Guided worktime will be provided. Please come to this session with an assessment (paper or computer-based) that you can recreate on Edcite.
