

The Educational Service Center of Northeast Ohio

Invitation: Please Join Us for the 1st PLC of the YEAR!

Dear Colleagues,

We are thrilled to invite you to our first Superintendent PLC of the year, centered around the theme of JOY, Laughter, and Positivity!

How many of you would like to laugh more and stress less? Who would like to learn simple ways to find more joy in your work and life? And finally, who would like to get rid of stubborn belly fat without diet or exercise?

Good news! Our speaker, Dave Caperton, can help with two of those three things. He specializes in helping individuals laugh and discover how to embrace a joyful mindset with small choices that can influence others and transform the world around them. As the founder of Speaking of Joy, Dave has delivered his message to over 1,000 clients across four continents, demonstrating why making joy a mission-level goal is not only a good idea but a smart strategy for attracting, retaining, and optimizing human capital.

Dave Caperton's impressive background includes being an award-winning educator, a stand-up comedian and comedy writer, an executive coach, and the author of *Happiness is a Funny Thing* and his latest book, *30 Days to a Happier Workplace*

Join us to hear Dave Caperton's inspiring message, as well as insights from Mike Barnes, Superintendent of Mayfield Schools and BASA president, on the importance of supporting one another and our colleagues. Additionally, Ted Lysiak, Superintendent of James A. Garfield, will share how he is utilizing Dave Caperton's approach to foster a more positive culture in his school district.

Dave's message will also be shared with your principals at their PLCs on September 26th, so please encourage your principals to attend

Let's come together for a wonderful start to the year. Please register soon, as we only have 90 available slots.

We look forward to seeing you there and embarking on a joyful journey together!
