This workshop will help families with students with disabilities, caregivers and guardians better understand web based resources that support their child's learning. Participants will

- gain knowledge in resources available to supplement their child's learning.
- learn how to select appropriate websites based on student's identified needs based on deconstructing the content standards.
- acquire a general understanding of what differentiated learning is.

This event was supported in whole or in part by the U.S. Department of Education, Office of Special Education Programs, (Award #Q27A090111A, CFDA 84.027A, awarded to the Ohio Department of Education).
